Made in the USA.

CLEARSPAN ENABLES YOU TO TRAIN AND **COMPETE YEAR-ROUND**

ClearSpan's versatile and economic structures have been meeting the needs of athletes for decades by providing ideal, custom athletic and training facilities. ClearSpan provides a one-stop shopping experience with stock, custom and turnkey options, ensuring that all of your athletic building needs are met.

The ClearSpan Athletics Advantage:

Available in fabric, metal and hybrid styles.

Build up to 300' wide and at any length - Perfect athletics environment.
Low cost per square foot. No internal support posts. Maximum space.

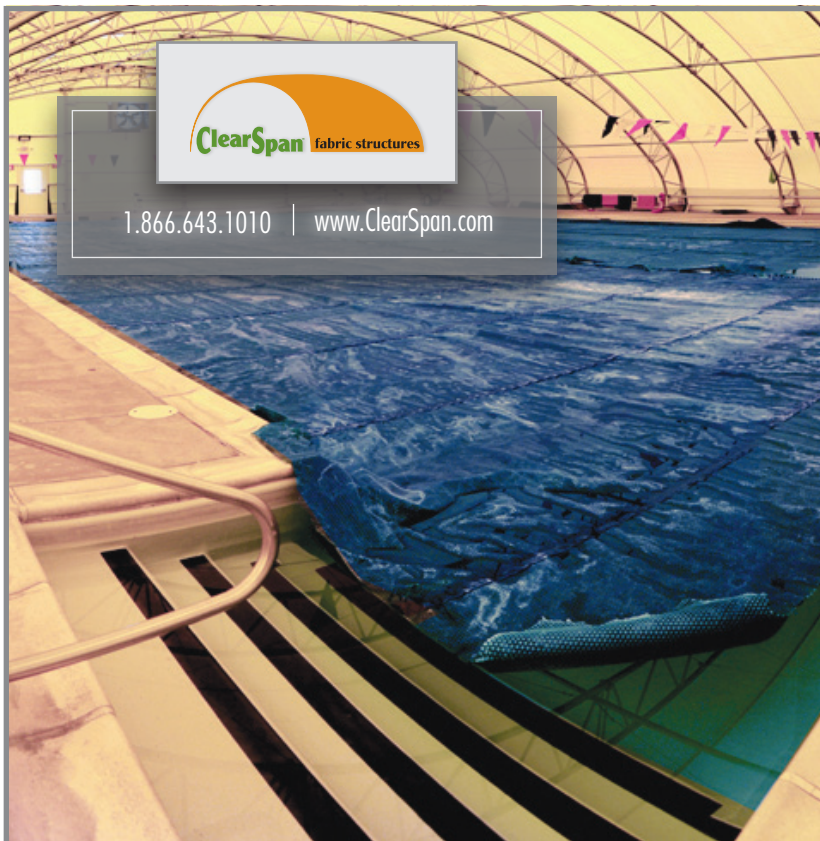

Climate-sensitive covers - 20 degrees cooler in summer, 20 degrees warmer in winter.

Energy-efficient designs - Natural lighting drastically reduces utilities costs.

Durable construction and industry-leading warranties - 50 years on steel frames, 25 years on corrugated metal and 20 years on fabric covers.

Enjoyable atmospheres - Maximum ventilation, reduced moisture. Economically and aesthetically pleasing.

Multiple foundation options - Install on precast or poured concrete.

CLEARSPAN

CUSTOMER TESTIMONIALS

"We can play tennis indoors now that we have two of our courts covered. We can remain active when it rains. The combined natural daytime lighting and comfortable environment really make this building unique."

- Joey Molina, Rockwall Golf & Athletic Club, Rockwall, Texas

"The building is working out well. The height and openness allow plenty of room for training and equipment. Everyone likes the facility. There's a wow factor when you first walk in the building."

- Dave Peluchette, Total Athlete Indoor Training Center, Triadelphia, W. Va.

"There are a million places to hang things, like clothes, equipment and more, because of the framing and cables. The building has been excellent."

- William Stein, Private Skate Facility, LLC., Seattle, Wash.

Since 1979, ClearSpan has offered **cost-effective, versatile and energy-efficient building solutions**. We provide in-house design, manufacturing and construction, and pride ourselves on offering **superior customer service**. Our experienced truss arch specialists are highly trained to help you determine the best structure and setup for your needs. With stock, turnkey and design-build solutions, there is a ClearSpan structure for everybody.
