Made in the USA.

CLEARSPAN DESIGNS UNIQUE BUILDINGS THAT CAN BE APPLIED TO ANY AGRICULTURAL NEED

ClearSpan creates versatile and economical building solutions that can be used on any type of farm and in any manner you need. The innovative designs create a healthy and comfortable environment for housing livestock of all kinds, while also providing a dry and ideal environment for protecting feed, vehicles and equipment. With custom, stock and turnkey buildings available, there is a ClearSpan building for you.

The ClearSpan Agricultural Advantage:

Available in fabric, metal and hybrid styles.

Build up to 300' wide and at any length - Ideal for any application.
Low cost per square foot. No internal support posts. Maximum space.

Climate-sensitive covers - 20 degrees cooler in summer,
20 degrees warmer in winter.

Energy-efficient designs - Bright natural lighting saves energy costs.
Easy to maintain. Economically and aesthetically pleasing.

Durable construction and industry-leading warranties -
50 years on steel frames, 25 years on corrugated metal and
20 years on fabric covers.

Maximum ventilation, reduced moisture - Superior
environment for livestock, feed and equipment.

Multiple foundation options - Save time and money
with our Helical Anchor System.

CLEARSPAN

CUSTOMER TESTIMONIALS

"We can fence part of the building off and use it for storage for everything from equipment to hay. We also use it for composting, and the cows seem to really be enjoying themselves, even when it's hot and humid."

- Daniel Gish, Burnt Chimney Dairy, Burnt Chimney, Va.

"We are really happy with our ClearSpan Truss Arch Building. Having a door on both ends creates a nice breeze and really nice place for work. Plus, it provides great ventilation for hay."

- Al Mensen, County Line Farms, Dyersville, Iowa

"We can ride and store things inside without rain, snow or wind. It's great."

- Danielle Courtemanche, Hill Top Show Horses, Derby Line, Vt.

Since 1979, ClearSpan has offered **cost-effective, versatile and energy-efficient building solutions**. We provide in-house design, manufacturing and construction, and pride ourselves on offering **superior customer service**. Our experienced truss arch specialists are highly trained to help you determine the best structure and setup for your needs. With stock, turnkey and design-build solutions, there is a ClearSpan structure for everybody.
