Made in the USA.

CLEARSPAN IS BUDGET FRIENDLY AND OFFERS A **COST-EFFECTIVE CONSTRUCTION SOLUTION**

ClearSpan creates the construction industry's most versatile building solutions. No matter what your building need is, ClearSpan can create a building that can be permanent or temporary and tailored to your exact needs. A ClearSpan building provides dependable protection for valuable equipment and an enjoyable working environment, and with a one-stop shopping experience and custom, stock and turnkey buildings available, there is a ClearSpan structure for every construction need.

The ClearSpan Construction Advantage:

Available in fabric, metal and hybrid styles.

Build up to 300' wide and at any length - Easily transport and reuse.
Low cost per square foot. No internal support posts. Maximum space.

Climate-sensitive covers - 20 degrees cooler in summer,
20 degrees warmer in winter.

Energy-efficient designs - Natural lighting drastically reduces
utilities costs.

Durable construction and industry-leading warranties -
50 years on steel frames, 25 years on corrugated metal and
20 years on fabric covers.

Maximum ventilation, dry environments - Ideal for storage
or workspace. Economically and aesthetically pleasing.

Multiple foundation options - Save time and money
with our Helical Anchor System.

CLEARSPAN

CUSTOMER TESTIMONIALS

"The spacious interior with no support posts is very unique and allows full access to the shop floor."
 - Nick Jones, Oilfield Steel Supply, Magnolia, Texas

"The building is very structurally strong. It is obvious that a lot of engineering went into the design of the building."
 - Dave Bonk, Bonk Brothers Supplies, Inc., Howell, Mich.

"ClearSpan has a better product and a better value, so the city got the best of both worlds."
 - Martin Mille, Story Construction, Marshalltown, Iowa

COVERS BUILT FOR STRENGTH

Lifting a 2008 Dodge quad using our 12.5 oz cover material and structural steel frame.

Since 1979, ClearSpan has offered **cost-effective, versatile and energy-efficient building solutions**. We provide in-house design, manufacturing and construction, and pride ourselves on offering superior customer service. Our experienced truss arch specialists are highly trained to help you determine the best structure and setup for your needs. With stock, turnkey and design-build solutions, there is a ClearSpan structure for everybody.
