CLEARSPAN CREATES INNOVATIVE, BUDGET-FRIENDLY BUILDING SOLUTIONS FOR ZOOS & AQUARIUMS

ClearSpan's versatile, economic and year-round structures have been meeting the building requirements of zoos and aquariums for decades. A ClearSpan structure can create an ideal environment for animals and aquariums, an enjoyable atmosphere for guests and visitors, a safe storage space for equipment and machinery and more. ClearSpan provides a one-stop shopping experience and has stock, custom and turnkey solutions for any zoo and aquarium need.

The ClearSpan Zoo & Aquarium Advantage:

Available in fabric, metal and hybrid styles.

Build up to 300' wide and at any length - House animals and aquariums or use for storage. Low cost per square foot.

Biosphere-like environments - Bright, natural light for cheerful and inviting atmospheres. Spook- and stress-free environments.

Climate-sensitive covers - 20 degrees cooler in summer, 20 degrees warmer in winter.

Durable construction and industry-leading warranties - 50 years on steel frames, 25 years on corrugated metal and 20 years on fabric covers.

Maximum ventilation, reduced moisture - Perfect for animals, fish and valuable equipment.

Multiple foundation options - Save time and money with our Helical Anchor System.

CLEARSPAN

CUSTOMER TESTIMONIALS

Since 1979, ClearSpan has offered **cost-effective, versatile and energy-efficient building solutions**. We provide in-house design, manufacturing and construction, and pride ourselves on offering **superior customer service**. Our experienced truss arch specialists are highly trained to help you determine the best structure and setup for your needs. With stock, turnkey and design-build solutions, there is a ClearSpan structure for everybody.

"The building is not only a full-time home for the lions, but it has also generated incredible responses from the visiting public. Everyone is amazed by the structure in many ways, as it generates a unique and inspiring feeling from the moment people enter."

- Pat Craig, The Wild Animal Sanctuary, Keenesburg, Colo.

"The illumination and temperature are very good. I absolutely love this building. There is no waste. That's important to me, because when I save money, I can put it back into keeping animals from becoming extinct. Our mission is to preserve, propagate and educate."

- Mika Nurmikko, York's Wild Kingdom, York, Maine

"We love the energy inside our building. The bright, natural light let in through the fabric cover creates a cheerful and inviting atmosphere that everyone can enjoy."

- Cassie Kreider, Oscar's Pet Resort, Lancaster, Penn.
