

ClearSpan Designs **unique buildings**

that can be applied to any agricultural needs

ClearSpan creates versatile buildings that can meet any agricultural need. ClearSpan's frames and cladding options can be used to create comfortable housing or dry storage solutions for feed, equipment and more. With turnkey and custom structures, there is a ClearSpan building for any farming need.

The ClearSpan Agricultural Advantage

Fabric and metal cladding - Choose the option that is right for your operation.

Versatile foundation option - Helical anchors, pony walls, wooden posts, concrete pads, shipping containers and more.

Energy-efficient designs - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
