

ClearSpan designs structures for any marine application

ClearSpan manufactures the optimal structure for any marine need. These buildings are constructed from triple-galvanized steel that withstands even the most corrosive environments, so they're ideal for use around salty shores and waterways. With custom and turnkey designs, ClearSpan can create your ideal building.

The ClearSpan Marine Advantage

Fabric and metal cladding - Choose the option that is right for your operation.

Versatile foundation options - Helical anchors, pony walls, wooden posts, concrete pads, shipping containers and more.

Energy-efficient designs - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
