

SALT STORAGE

ClearSpan is your preferred solution for salt storage and more

ClearSpan manufactures the premier sand and salt storage buildings. Made with triple-galvanized steel, these structures can withstand the most corrosive environments, and wide-open floorplans absent of support posts ensure maximum storage space. With custom and turnkey designs, there's a salt building for any operation.

The ClearSpan Salt Storage Advantage

Fabric and metal cladding - Choose the option that is right for your operation.

Versatile foundation options - Helical anchors, pony walls, wooden posts, concrete pads, shipping containers and more.

Energy-efficient designs - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
