

TENNIS

ClearSpan allows you to play tennis comfortably year-round

ClearSpan manufactures premier tennis buildings and facilities that are designed to enhance the player and spectator experience. Buildings can be built to any size and ample clearance, these structures won't interfere with play. With custom and turnkey designs, programs can practice, train and play year-round with ClearSpan.

The ClearSpan Tennis Advantage

Fabric and metal cladding - Choose the option that is right for your operation.

Versatile foundation options - Helical anchors, pony walls, wooden posts, concrete pads, shipping containers and more.

Energy-efficient designs - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
