

ClearSpan offers premier building solutions for any aviation and aerospace need

ClearSpan provides versatile structures that are perfect for any aviation need, whether it's for hangars, workspace or any other application. With frames built for strength and unique cladding options that create a superior working environment, ClearSpan creates custom and turnkey structures that ensure the ideal solution.

The ClearSpan Aviation Advantage

Fabric, pre-engineered metal and cold formed buildings - Choose your operation's ideal solution.

Versatile foundation designs - Helical anchors, pony walls, concrete blocks, concrete pads, shipping containers and more.

Energy-efficient designs - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
