

ClearSpan creates dairy structures that improve efficiency and promote higher yields

ClearSpan Structures can save any dairy operation time, labor and money. With designs that take both livestock and farmer into mind, these structures provide a healthier, more comfortable environment. ClearSpan buildings ensure maximum usable space, so there's plenty of room for housing, work and storage.

The ClearSpan Dairy Advantage

Fabric, pre-engineered metal and cold formed buildings - Choose your operation's ideal solution.

Versatile foundation designs - Helical anchors, pony walls, concrete blocks, concrete pads, shipping containers and more.

Energy-efficient options - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, barn curtains, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
