

FABRIC TRUSS

ClearSpan Fabric Buildings offer a versatile, high-strength solution for any operation

For decades, ClearSpan has provided the highest-quality fabric truss buildings. With custom and turnkey designs, as well as industry-leading warranties, ClearSpan buildings have been used across dozens of industries and thousands of applications, earning them the nickname “Buildings of 1,000 Uses.”

The ClearSpan Fabric Truss Building Advantage

Truss frame - Built with triple-galvanized structural steel and delivers tall, wide-open interiors.

Multiple cladding solutions - Choose between 12.5 oz. polyethylene and our 29 oz. Armor Shield Cover.

Versatile foundation options - Helical anchors, pony walls, wooden posts, concrete pads, concrete blocks, shipping containers and more.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Energy-efficient designs - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
