

SALT STORAGE

ClearSpan is your preferred solution for salt storage and more

ClearSpan manufactures the premier sand and salt storage buildings. Made with corrosion-resistant steel, including triple-galvanized framing, these structures can withstand the most corrosive environments. Wide-open floor plans absent of support posts maximize storage space, while custom and turnkey designs ensure there's a salt building for any operation.

Contract #250503 MRO

The ClearSpan Salt Storage Advantage

Fabric, pre-engineered metal and cold formed buildings - Choose your operation's ideal solution.

Versatile foundation designs - Helical anchors, pony walls, concrete blocks, concrete pads, shipping containers and more.

Energy-efficient options - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
