

AGRICULTURAL

ClearSpan Designs **unique buildings** that can be applied to any agricultural need

ClearSpan creates versatile building solutions that thrive in the agricultural industry. ClearSpan's frames and cladding options can be used to create comfortable housing or dry storage solutions for feed, equipment and more. With turnkey and custom structures, there is a ClearSpan building for any farming need.

The ClearSpan Agricultural Advantage

Fabric, pre-engineered metal and cold formed buildings - Choose your operation's ideal solution.

Versatile foundation designs - Helical anchors, pony walls, concrete blocks, concrete pads, shipping containers and more.

Energy-efficient options - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
