

ClearSpan creates versatile building solutions for mining and exploration

ClearSpan Structures manufactures dependable buildings that can be used in any mining and exploration application. With numerous foundation options, including ClearSpan's exclusive Helical Anchoring System, these buildings can be both permanent and temporary, making them perfect for long-term projects.

The ClearSpan Mining and Exploration Advantage

Fabric, pre-engineered metal and cold formed buildings - Choose your operation's ideal solution.

Versatile foundation designs - Helical anchors, pony walls, concrete blocks, concrete pads, shipping containers and more.

Energy-efficient options - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
