

WAREHOUSING

ClearSpan creates expansive warehousing and manufacturing building solutions

ClearSpan manufactures the ideal warehousing and manufacturing building solutions. These structures ensure a durable and dependable storage or workspace that provides ample space and clearance. With custom and turnkey designs, ClearSpan creates warehousing solutions that include all the required operational accessories.

The ClearSpan Warehousing and Manufacturing Advantage

Fabric, pre-engineered metal and cold formed buildings - Choose your operation's ideal solution.

Versatile foundation designs - Helical anchors, pony walls, concrete blocks, concrete pads, shipping containers and more.

Energy-efficient options - Utilizing natural lighting and ventilation, ClearSpan structures can provide monthly energy savings.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
